

Remarriage Petition

- Petitions should be submitted to the Bishop's Office via this link Remarriage Petition found in Clergy pages on the diocese's website at least 45 days from the date of the proposed marriage. (Please retain the original documents in case the bishop requests to review them during the approval process.)
- A petition must be filed for any person for whom a previous marriage was dissolved by civil authority. A petition must also be filed if the petitioner is no longer married due to the death of the spouse.
- When each person to the proposed marriage is divorced or widowed, a separate and complete petition must be filed for <u>each</u> person.
- Copies of the final divorce decree or death certificate must be attached to the petition.
- For a second marriage, the bishop requires a waiting period of one year from the date of the final decree.
- The date and place of the proposed marriage may not be publicly announced until the bishop's consent has been received.
