ACC-18: Resolutions and Statements of Support

The following resolution was endorsed by members of the Anglican Consultative Council during their 18th plenary meeting (ACC-18), held in Accra, Ghana, in February 2023.

5 (c): The Communion Forest

The Anglican Consultative Council:

1. recognises that the integrity of creation is under threat and at risk of collapse; and there is urgent need to reduce our carbon footprint and protect biodiversity;
2. affirms the potential of the Communion Forest initiative launched as a legacy of the 2022 Lambeth Conference;
3. invites Churches of the Communion to join in this initiative to be ambitious in using their God-given assets; to weave creation care into the spiritual and liturgical life of the Church; and
4. commends the collaboration of the Anglican Alliance and Anglican Communion Environmental Network, and encourages Churches of the Communion to share with them information about their existing and new activities.
